COVID 19 in person disclaimer

By asking Patricia of Alchemy Therapies to continue with my appointments while restrictions remain in place regarding Covid-19, I agree to the following:

I agree that I am not currently experiencing any of these symptoms:

- Cough
- Shortness of breath or difficulty breathing
- Fever
- Chills
- Sore throat
- New loss of taste or smell

Please note: Other less common symptoms have been reported, including gastrointestinal symptoms like nausea, vomiting, or diarrhoea.

I agree that I have not:

- Tested positive for COVID-19
- Knowingly been exposed to someone with COVID-19
- Recently travelled to an area with a high infection rate
- Been in an area where social distancing was not properly observed
- Been to a nursing home

If you have experienced any of the above, please reschedule your appointment at least 14 days from now.

It is accepted that the purposes of my treatment by Alchemy Therapies could not be considered within the scope of practice to be found in a “massage parlour” (UK requirement), as the expert knowledge, skills and practice provided by Alchemy Therapies are of specific medical and/or mental health support to ensure my health and wellbeing, alleviation of inflammation and pain, and maintain an appropriate level of human connection and mental health care through the specific massage and bodywork techniques, as well as conversational therapy. Thus, Alchemy Therapies cannot be counted under the term “massage parlour” as stated within the laws, rules, or guidelines under the Covid-19 legislation. Alchemy Therapies are providing me with critical physical and mental health care support that is unavailable through any other means, which remains a permitted activity under all 4 of the Tier systems states.

I understand that Patricia takes every safety precaution possible to protect my health and wellbeing, following enhanced infection control practices, as set out on www.Alchemy-Therapies.com/policies, and in accordance with the law and highest standards of care also set out in the General Hypnotherapy Register Code of Conduct which Alchemy Therapies strictly adhere to.

I have chosen to continue to receive treatment and care from Patricia of Alchemy Therapies, aware that there is always some risk associated with close contact services despite all safety precautions being taken.

I am aware that the Pfizer-BioNTech COVID-19 vaccine, claims to provide me with 94% immunity after the first dose, increasing to 95% immunity by the second dose. However, there is no way of knowing the full personal outcome, as between 5 and 6% of individuals will be “non-responders”, and as such may not gain immunity from either dose. I accept that there is never 100% guarantee of immunity by any vaccine, Covid-19 or otherwise. As such, I accept that there is a chance I may remain without immunity, and the inherent risk of close contact services may therefore pose to my health.

PLEASE REMEMBER TO WEAR A MASK/FACE COVERING unless contraindicated, and BRING A BOTTLE OF WATER as hydration is critical to the benefit of ALL treatments, and under present law, Alchemy Therapies are not permitted to provide this for you.
